

DESIGN BOOK

# design

# inspire

## COLOR +

Whether you're a beginning designer, a seasoned professional, or simply curious about the transformative power of interior design, this book is your guide to creating memorable spaces.

Within its pages, you will encounter a palette of inspirations that span the spectrum of emotions. Explore a moody, speakeasy-inspired collection of colors that weave an atmosphere of mystery and sophistication. Enter rooms where pristine organization reigns supreme or dive into palettes inspired by coastal tranquility.

The Agility Company's identity is showcased through this book with a curated selection of powder coat, worksurface laminates, PET fabrics, and supporting materials. We hope that you find inspiration within these pages.

## CONTENT +

Picture it: a cheerful bird serenades in the background, its melodic chirps intermingling with laughter as you indulge in a sweet picnic. It's a rediscovered, joyfully returned relaxation. It's a harmonious blend of independence and comfort, where the simple charm of a homestead meets the vitality of life itself.

## DAPPER +

It's classic, timeless, and sophisticated. It's sipping an Old Fashioned in a lounge with a great novel in hand. It's the spirit of an age-old foxhunt tradition as riders dash across vast expanses chasing the thrill. It's the tradition of a porch-thrown Saturday morning newspaper to complement a dark roast coffee.

### *agility materials*
