

EDGE

Fixed Height Table

The Edge fixed-height table base functions perfectly as a high-top or standard seated table providing a bit of edge to any room. The hearty angled legs are a classic design with a unique touch, fitting in to any space while also making a statement.

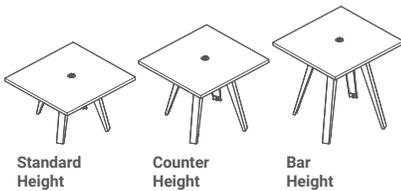

The built-in wire management in each leg makes this table perfect for modern technology.

FEATURES

- / Three height options (standard, counter and bar height)
- / In-leg wire management
- / All steel construction

Sophisticated and remarkably sturdy for any use, the Edge table is a modern-industrial take on the fixed leg base. These table legs are constructed completely from heavy gauge steel and boast a tough, scratch-resistant powder coat finish. Each leg includes built-in wire management and comes with an adjustable glide to match any surface. Designed to last and impress.
