

# APOLLO 2.0

*Height-Adjustable Desk*

When filling your office building with desks for every employee, you might not be looking for the most deluxe option available; however, that doesn't mean quality and ergonomic standards should go out the window. So, our designers set out to create a product that met the need for a lower cost sit to stand table.

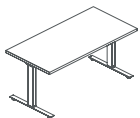

Apollo 2.0 is a simple solution that supports easy movement throughout the workday. See the way affordable can impress with Apollo 2.0.
